Appendix A

Examples of Diagnoses within Each Category of Conditions Seen at Louisiana SBHCs

International Classification of Disease, Version 9 (ICD-9) codes are grouped into general categories. Examples of diagnoses within each category follow:

Cardiovascular & Blood: hypertension, hypotension, and blood disorders

Central Nervous System & Head: concussions, headaches, seizure disorders, cerebral palsy, and syncope

Dental & Oral: dental caries and other diseases of teeth and gums

Drug Abuse & Dependence: diagnoses related to alcohol abuse, cannabis abuse, and tobacco use

Ear, Nose & Throat: diagnoses related to conditions of the ear, such as ear infections and wax build-up; the nose, such as nose bleeds and diseases of the nasal cavity and sinuses; and the throat, such as pharyngitis and strep throat

Eyes: diagnoses related to eyes and vision such as vision problems, conjunctivitis, injury to the eye, and near-sightedness

Gastrointestinal: diarrhea, irritable bowel syndrome, constipation, gastroenteritis, and other digestive disorders

General Preventive Medicine: immunizations, comprehensive physical examinations with risk assessment, and special screenings

Genitourinary: urinary tract infections

Gynecology & Breast: dysmenorrhea (painful menstruation), irregular menses, and other gynecological disorders

Health Counseling & Education: not limited to, but includes dissemination of information on personal health, consumer health, nutritional health, substance use and abuse, HIV/AIDS, and injury prevention and safety

Mental & Behavioral Health: includes all mental health service provisions such as individual counseling, treatment intervention groups, and case management. Reasons for mental and behavioral health visits are grouped into subcategories such as mental health disorders, academic problems, substance use/abuse problems, and illness-related problems.

Metabolic & Nutrition: obesity and dehydration

Miscellaneous: reported conditions not related to a specific diagnosis category such as abnormal results of blood tests, malaise and fatigue, and administrative procedures

Musculoskeletal & Trauma: joint pain, joint swelling, tendonitis, scoliosis, and any bone, cartilage, or muscle disorders; includes injuries

Pregnancy & Related Issues: suspected pregnancy, pregnancy counseling, prenatal care, postpartum care, and bleeding in pregnancy

Pulmonary & Respiratory: acute lower respiratory infections, asthma, and other respiratory disorders

Sexually Transmitted Diseases: chlamydia, gonorrhea, syphilis, genital warts, and genital herpes

Skin & Subcutaneous: diagnoses related to skin disorders such as acne, warts, psoriasis, scabies, head lice, ringworm, athlete's foot, contact dermatitis, and ingrown nails

Appendix B

ADOLESCENT SCHOOL HEALTH INITIATIVE ACT R.S. 40:31.3

To enact R.S. 40:31.3, relative to adolescent school health; to require the Department of Health and Hospitals, Office of Public Health, to establish an adolescent school health initiative; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 40:31.3 is hereby enacted to read as follows:

31.3. Adolescent school health initiative; health centers in schools

A. The Department of Health and Hospitals, Office of Public Health, shall establish an adolescent school health initiative to facilitate and encourage development of comprehensive health centers in public middle and secondary schools in Louisiana which shall provide preventive health services, counseling, acute health services, and appropriate referral for acute health services. Such initiative shall be subject to the approval of the local school systems.

B. The Office of Public Health shall:

(1) Coordinate efforts to facilitate and encourage establishment of health centers in schools by providing information, technical assistance, direction, and, to the extent appropriate, funds to locally based entities for the establishment and operation of health centers in middle and secondary schools.

(2) Convene and participate in an intergovernmental coordinating council which shall be composed of representatives from the department of education, social services, health and hospitals, and other governmental entities or programs

related to health services to assist in implementation, oversight, and funding assistance for health centers in schools.

(3) Apply for and assist local efforts to apply for all available public and private funds to establish and operate health centers in schools.

(4) Establish procedures for allocation of funds appropriated or otherwise available to the program in a manner which prioritizes funding according to the urgency and degree of health care needs among the various middle and secondary school populations.

(5) Establish criteria to be considered in selection of locations or placement of health centers in schools.

C. Health centers in schools are prohibited from:

(1) Counseling or advocating abortion in any way or referring any student to any organization for counseling or advocating abortion.

(2) Distributing at any public school any contraceptive or abortifacient drug, device, or other similar product.

D. The provisions of this Section shall be applicable only to the extent that funds are made available for this purpose from public or private sources.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided in Article III, Section 18 of the Constitution of Louisiana.

Signed by Governor Buddy Roemer

July 29, 1991.
